Staying Ahead of the Challenges

The Accommodation Association of Australia is your national industry representative body and is best placed to manage all the challenges the industry faces. Immediate priorities include:

- Working with the ACCC to re-examine the level of competition in online travel agency franchises (OTAs)
- Tackling the serious and growing impact of non-compliant and illegal accommodation in Australia facilitated by online services such as Airbnb
- Correcting the imbalance of our industrial awards through the four-yearly review with the Fair Work Commission to fight for an impost of lower penalty rates, part-time employee restrictions and Public Holidays

Our membership represents the national industry – hotels, motels, resorts, serviced apartments, bed & breakfasts, guesthouses, holiday parks and timeshare properties in metropolitan, regional and rural Australia.

Testimonials

"Being a member of such a body is a great reference point on such things as awards, standards and public holidays. I often ring to gain clarification on these and many other workplace practices."

Michael Ludeke
Motel Mayfair on Cavell.

"The staff were thoroughly helpful in every way. I called them back in August after the Best Western (BW) conference in Bali. I've always used the BW preferred supplier but thought, what the hell, I've been an AAoA member for 30 years so I'll give your preferred supplier a try. Nell stayed in touch with me all the way as they could not quote so far out, my insurance not falling due until 30th November. Along the way, Nell offered me additional coverage for areas I had not previously considered. The end result, great coverage with a saving of over 20% (around \$4,500 saving)."

Rob McBride
Best Western Ensenada Motor Inn & Suites.

Thank you to all involved with fighting the "bed tax" issue (in QLD). If businesses ever had to think about why they should be part of AAoA ... this could be no better reason.

From a small operator in Outback Queensland... I thank you :)
